

A few reminders of what's coming up:

YR3 and YR4 – you need to crack on and get your tickets for the kids disco. It's in school, you don't have to do anything, and you get extra childcare. Link below...

Want to swoop in, do something easy, go to the pub after and sit in the glory of having raised hundreds of pounds??? Then volunteering for the Rotary Santa night might be for

you. It's this simple....two hours, following the Rotary Santa, taking donations. Easy. And you'll get points with the Big Fella . We need 8 people.

We're off to stock the bar for tonight...no one likes a warm drink whilst solving a mystery.

Have a great weekend!
